 4. New Business

- a. A confirmation vote was held for a new SAFB Member.

- Matthew Miller

A member of KMNR, needs position to have a direct connection with budget, along with good contact and communication with SAFB.

Q: Will involvement with KMNR, which usually has a high budget affect your decision making?

A: We're trying to make our budgets more reasonable and have more concrete line items to prevent a fiasco like last year.

Discussion: [REDACTED]

A $\frac{2}{3}$ supermajority vote was required for confirmation.

Matthew Miller 67 Votes (83.75%)

No Confidence 13 Votes (16.25%)

Matthew Miller was confirmed as an SAFB New Member.

- b. SAFB Professional Projects Recommendation

- https://docs.google.com/spreadsheets/d/1ilX2gVXEt_IRZc5Jn9-FYGX9Xk3La2P1tTKGpsoB2Es/edit?usp=sharing

Started at 50% for all groups, then progressively lowered percentages until we were good

Q: Is total cost after adjustment after red-lined items?

A: Total cost includes red-line items.

Q: Where does percent of budget come from?

A: That's the percentage of total cost SAFB provides.

Statement: SAFB wants red-lined items so they know the total budget, but if red-lined items go over 50%, they can't fund 50%.

Q: Is there a reason to lower the percentages?

A: If an organization has a lot of money, it gets lowered. Also, since we usually get requested more than we have, we lower everyone equally until total recommendations fit within the money we have.

A $\frac{2}{3}$ supermajority vote was required for approval.

Aye 83 Votes (96.51%)

Nay 3 Votes (3.49%)

The budget was passed as presented.
