100. MEMBERSHIP RULES AND PROCEDURES

Section 1. The representative and his/her organization shall be notified after each unexcused absence from a Council General Body meeting. If the recorder fails to notify the representative of his/her absence within two weeks following the meeting, then the absence is excused.

Section 2. If a representative cannot attend a Council General Body meeting they may have a proxy attend the meeting in their stead by appointing another member of their organization to attend the Council General Body meeting in their place. This person must meet the same requirements for membership as the original representative. The replacement shall have the same rights and responsibilities as the member they are replacing. The representative must inform the Student Body President or Recorder prior to the start of the Council General Body meeting of the name of their replacement.

Section 3. Any member failing to comply with Article V, Section 8 of the Constitution will be expelled upon a two-thirds (2/3) approval of Council. The member will be allowed an appeal at this meeting. If the member is brought up for removal due to Student Council absences, “Student Council Absences” will be reset per Student Council’s recommendation. If the member is brought up for removal due to committee absences and is not removed, “Committee Absences” will be reset to 1.

Section 4. General Members who have absences as defined in the Constitution will be given the remainder of the semester to complete additional service to Student Council in order to excuse a previously unexcused absence; however, if the member has accrued the number of absences required for removal, they will be given two weeks since their final unexcused absence to complete the additional service. Additional service may include attendance at an additional committee meeting, attendance at a special committee meeting, or completion of some amount of service required by the executive council. This additional service may not exceed 2 hours of time. Further, any member may only have up to 2 unexcused absences removed from their record in this manner per academic year.

Section 4. Any housing unit whose representative has been expelled from Council General Body may re-elect a new representative at the start of the following academic year. Any organization, other than a housing unit, whose representative is expelled from Council, resigns, or is inactive for 2 full consecutive semesters or more may reapply as specified in Article V of the Constitution.

Section 5. In the event that an organization’s representative is replaced, the absence of the outgoing representative will carry over to the incoming representative.

Section 6. In calculating the number of members in an organization, a student counts as a member if he/she meets the requirements for active membership as defined by that organization’s constitution and is registered as a member of that organization in the Department Of Student Life Involvement and on the organization’s OrgSync page portal.

Section 7. There shall be 15 Members-at-Large who shall be elected as specified in the
Constitution.
   a. Members-at-Large shall serve until they retire, become ineligible, or are removed. To be eligible to be a Member-at-Large, a person must be a Missouri S&T student and must not be an current officer of Student Council.

Section 8. A Member of the Year shall be elected each year by the members of Student Council. This election shall be by secret ballot and be held at the same meeting as the election of new officers. All members shall be eligible.

Section 9. A "Rookie of the Year" shall be elected each year by the members of Student Council. This election shall be by secret ballot and be held at the same meeting as the election of the new officers. Only members that have been on Student Council for less than one year are eligible.

110. STUDENT COUNCIL CODE OF CONDUCT
Section 1. Introduction
   a. To ensure professional conduct while representing university organizations and housing units with integrity, these guidelines have been established.
   b. A copy of the entire Code must be distributed during the first session of New Member Orientation and a contract must be signed stating agreement to uphold the Code by all members. The Recorder will keep these contracts on file.
   c. Failure to comply with the provisions of this code may be grounds for disciplinary action as stated in By-Law 110, Section 4.

Section 2. Involvement Expectations
   As a Student Council member, you represent and serve the Student Body of the Missouri University of Science and Technology. As such, while you are an active member, it is expected that you abide by the following:

   a. Attend all General Council meetings. This includes arriving on time, staying until the meeting is adjourned, and being prepared with a copy of the current agenda and your constituent’s opinions on all orders of business. It is each individual’s responsibility to sign in with the Recorder prior to the beginning of each meeting.
   b. Serve on and contribute to one (1) committee. Each committee holds at least one meeting every two weeks, and attendance is expected.
   c. Provide the Recorder with your student ID number and a valid email address so
announcements and meeting minutes can be sent to all members. Committee meetings will also be announced via email by the respective committee head.

d. Uphold the name, reputation, and motto of Student Council at all times. The motto is “Develop Leadership, Serve the Students, Represent the Students.”

e. Behave in a manner that is respectful, accountable and honest according to the Missouri S&T values.

Section 3. Standard of Conduct

The following acts are prohibited while at a Student Council meeting, activity, event, in the Student Council office, or while one is representing Student Council in any way.

a. Forgery, alteration, or misuse of university documents, records or identification, or knowingly furnishing false information to the University.

b. Obstruction or disruption of teaching, conduct proceedings, or any other university activities.

c. Physical abuse or other conduct which threatens or endangers the health or safety of any person.

d. Attempted or actual theft of, damage to, or possession without permission of property of the University or of a member of the University community or of a campus visitor.

e. Unauthorized possession, duplication or use of keys to any University facilities or unauthorized entry to or use of university facilities.

f. Violation of university policies, rules or regulations or of campus regulations including, but not limited to, those governing residence in university-approved housing, or the use of university facilities, or the time, place and manner of public expression.

g. Manufacture, use, possession, sale or distribution of alcoholic beverages or any controlled substance without proper prescription or required license or as expressly permitted by law or university regulations, including operating a vehicle on university property, or on streets adjacent to and abutting a campus, under the influence of alcohol or a controlled substance as prohibited by law of the state of Missouri.

h. Disruptive or disorderly conduct or lewd, indecent, or obscene conduct or expression.

i. Failure to comply with directions of university officials acting in the performance of their duties.

j. The illegal or unauthorized possession or use of firearms, explosives, other weapons, or hazardous chemicals.

k. Misuse in accordance with university policy of computing resources.

l. Violation any federal, state, local law, or university policy.

m. Unprofessional conduct as determined by the office manager Vice President of Internal Affairs.

n. Non-compliance with the Honor Code or Code of Conduct

Section 4. Disciplinary Proceedings

a. A written grievance should be turned into the Recorder.

b. If the grievance is about the Recorder, the grievance should be given to the President by default.

c. After the grievance is filed, the Recorder/President officer to whom the complaint was filed will meet with the accuser to determine if the complaint justifies action by Student Council.

d. The Recorder/President will then meet with the accused to determine whether he/she
admits to the complaint.

e. If it is determined that there is enough evidence available, the alleged victim, the alleged perpetrator, and any witnesses will go before a student court made up of five (5) representatives from the Student Council Executive Committee: VPI, two EALs, Student Services Chair, and another two other members of the executive committee. If any of these representatives feel he/she is biased or is included in the complaint, the Recorder/President officer to whom the complaint was filed will appoint another member of the executive committee to their place.

f. The Recorder/President will also file a report with the campus judicial officer if the offense occurred under the Missouri University of Science and Technology’s Jurisdiction.

g. The aforementioned student court will then recommend a sanction (if applicable) to the accused based on 51% majority preponderance of evidence.

Section 5. Sanctions
Possible sanctions that the student court can recommend include:

a. Mandatory office hours.
b. Loss of position on Executive Committee or as an MAL.
c. Loss of voice and/or vote in Student Council meetings. If an organization chooses, they may replace that member and receive their voice and/or vote back.
d. If an organization is involved in the grievance;
   i. Loss of organization’s voice and/or vote.
   ii. Loss of representation in Student Council.
e. Expulsion of membership.

Section 6. Jurisdiction Area
This Code applies at all Student Council meetings, activities, events, in the Student Council office, or while one is representing Student Council in anyway.

Section 7. Definitions
Active member – any member of Student Council from point of time from when a person signs the membership contract to the moment the person’s resignation of position is received by the Recorder.

Office manager – the President, any Student Life staff, or the highest ranking Student Council Officer present in the office.

Section 8. Statute of Limitation
The grievance must be submitted to the Recorder/President Recorder or President within two weeks after the incident occurred unless the incident occurred during the summer session or during Winter Break, in which case, the grievance must be submitted by the first day of classes within 2 weeks of the next semester starting.

130. ORIENTATION OF NEW STUDENT COUNCIL MEMBERS
Section 1. Persons who are serving their first semester as members on Student Council shall attend one mandatory New Member Orientation meeting. Optional meetings may be scheduled as necessary. An unexcused absence from a mandatory New Member Orientation meeting will be counted as at least one absence from a regular Student Council meeting. The officers shall determine the number of absences to be recorded for missing a New Member Orientation meeting and announce it.

Section 2. The purposes of the New Member Orientation meeting are
a. to encourage, in an informal setting, interaction between new Student Council members and officers,

b. to explain to new representatives some of the formal procedures of Student Council in order to increase the quality of representation,

c. to familiarize new Student Council members with the Student Council Code of Conduct as defined in By-Law 110.

200. STANDING COMMITTEE AND APPOINTMENT PROCEDURES
Section 1. The membership on the Student Council standing committees shall be composed of the general membership of the Student Council. All Student Council members shall be required to serve on one (1) committee each semester, as assigned by the Recorder.

Section 2. A majority of each committee’s membership must consist of voting and associate Student Council Members.

Section 3. The Vice President of Internal Affairs Operations shall announce the available committee chair Executive Lead positions to the entire Student Council before the end of the winter semester and as positions become available throughout the school year. The chair lead of the standing committee shall be appointed by the Student Council Officers and confirmed by the General Body.

Section 4. A Committee Member of the Year shall be selected each year by the chair lead of each standing committee of Student Council. The committee chair Executive Lead shall select the member, and the member shall be recognized at a regular Student Council meeting. All students who were members of the committee either or both semesters shall be eligible.

Section 5. Ad Hoc committees can be appointed by the President as described in Article VII, Section 9 2, part 3 of the Constitution. These groups will be used to fulfill the duties of special interest or that require special members. The volunteers in these groups do not have the powers of a Student Council member unless already on the Student Council or granted permission by the committee chair Executive Lead.
Section 6. Committee chair Executive Leads, vice chairs, and executive liaisons may be removed from office for failing to fulfill their duties or the code of conduct of Student Council. The removal may be initiated by either the Vice President of Internal Affairs Operations or Student Body President. In order for removal to take place both the Vice President of Internal Affairs Operations and Student Body President must agree on the decision and receive counsel from the Student Council Advisor before the decision is finalized. Reasoning for removal must be presented to the committee chair Executive Lead, sub chair, or executive liaison 3 days (72 hours) before the member is removed. The committee chair lead, sub chair, or executive liaison may appeal the decision in that time to the officer team of Student Council and be reinstated after a hearing by a majority vote of the officer team. If the committee chair Executive Lead, sub chair, or executive liaison chooses not to appeal by notifying the President or Vice President of Internal Affairs Operations, the removal goes into effect immediately.

Section 7. At the beginning of each semester, each Executive Lead will determine whether or not to retain their standing committee. If they choose to retain the standing committee, general members will be assigned to that committee as per usual. Any Lead whom decides to retain their standing committee must meet as often as required by the Vice President to which they report. If an Executive Lead who has chosen not to retain their standing committee determines that a committee meeting is useful or necessary, they may hold a special committee meeting to receive feedback and continue to hold special committee meetings as needed. Further, leads who choose not to retain their standing committee are subject to additional engagement requirements by the Vice President to whom they report. Advisory Committees must be retained by their corresponding executive lead.

300. AGENDA PROCEDURES

Section 1. For an item of business to be placed on the agenda, the item must be presented in writing or email to the executive committee, both to alert the executive committee of its existence and to receive suggestions for changes. The executive committee may deny an item of business be placed on the agenda by a three-fourths (3/4) majority vote if the item is deemed to be against the best interests of Student Council.

Section 2. Assuming the item is not denied, it must also be submitted to the officers, with any intended alterations already incorporated, four days (96 hours) before the general Student Council meeting during which the item is to be transacted. Only alterations which do not change the intent of the item, as judged by the Student Council Officers, will be allowed.

Section 3. The Student Council Recorder will post the agenda and all required written material where it is accessible to the Student Council membership three days (72 hours) before the general Student Council meeting for which the agenda applies. The Recorder will also inform Student Council membership of the above posting three days (72 hours) before that same Student Council meeting.

Section 4. Only the officers may utilize Student Council resources to relay business items to be voted on by general membership. Only student council officers may guide discussion on business items to be voted on.

Section 5. The agenda will be approved by Student Council before the transaction of any business. Prior to this approval, items which did not follow the procedures of Sections 1 and 2 of this By-Law can be added with a two-thirds (2/3) majority vote of Student Council members who cast a vote. The member presenting this item of business must also provide a digital copy of the item of business. Officers must send out business items if requested, provided they have been added to the agenda by the executive committee.

310. TRANSACTION OF BUSINESS DURING MEETING

Only items of business on the official Student Council agenda as defined in By-Law 300 will be brought to the floor during any general Student Council meeting.

315. MOTION FOR PAPER REPORTS

Section 1. Any time after the approval of the Agenda, any voting member of Student Council may make a motion for paper reports. It is a privileged motion that must be seconded. It is debatable, but not amendable. Amendments may only be reconsidered on a negative vote.

Section 2. The motion must be approved by a two-thirds (2/3) majority of Student Council.
Section 3. The motion allows all reports normally read during a General Council meeting to be skipped on the agenda. All reports must still be submitted in writing to the Recorder. At the discretion of the chair President, any member who would normally give a report may still elect to give a brief summary of their report, but is encouraged to limit it to critical information.

Section 4. All written reports must be submitted to the Recorder within 48 hours of the conclusion of the current General Body meeting.

Section 5. No part of Bylaw 315 may be suspended by vote

Approved February 7, 2017

320. BILL AND RESOLUTION APPROVAL
The officers will correct the punctuation, spelling, and format of all bills and resolutions that are approved by Student Council. To ensure that these changes do not alter the content or intent of a bill or resolution, the author(s) of the bill or resolution will approve the corrections to the bill or resolution before action is taken upon it.

Approved March 23, 2004

325. DIRECT STUDENT FUNDING APPROVAL
All fees administered through Direct Student Funding (DSF) shall be recommended by Student Council on a fee by fee basis with the exception of Recognized Student Organizations receiving DSF, External Funding Accounts, and Performing Arts. Recognized Student Organizations receiving DSF, External Funding Accounts, and Performing Arts shall be recommended on a category by category basis or by the recommendation of individual accounts if deemed necessary by Student Council.

The Student Council may amend the DSF recommendation of the SAFB with a two-thirds (2/3) majority vote.

Approved April 28, 2015
Amended November 29, 2016

335. DSF RECOMMENDATION ADVISORY GROUP
Section 1. The DSF recommendations from SAFB may require minute changes after they have been approved by the Student Council General Body. This is most commonly due to the Board of Curators changing the CPI for which fees should be increased. In the event that this scenario occurs, the Associate Vice Chancellor for Student Affairs or administrator responsible for amending recommendations will consult with the following members of Student Council: the President, the SAFB Chair, the VP-Student Services.

335. EXTERNAL FUNDING CONTRIBUTION and EQUIPMENT AND CONTINGENCY APPROVAL
Section 1. The Student Council General Body may amend any External Funding Contribution recommendations of the SAFB with a two-thirds (2/3) majority vote.

400. ELECTION AND REFERENDUM PROCEDURES
Section 1. The Election Procedures Committee (EPC) will be responsible for overseeing presidential election procedures and solving election disputes and violations of written election procedures and has the power to disqualify candidates from being eligible for President for extreme violations. The EPC must meet before the end of the fall semester. There shall be two representatives from the following organizations:
a. The student programming board (Student Union Board)

b. The student state representative board (Associated Students of the University of Missouri – Missouri S&T Chapter)

c. The residence hall governing board (Residence Hall Association)

d. The Greek governing boards (Interfraternity Council, Panhellenic Council, National Panhellenic Council, Greek Independent Board)

e. The graduate student governing board (Council of Graduate Students)

f. The club sports governing council (Club Sports Council)

g. Four voting members of Student Council, elected at the last general body meeting of the fall semester.

Section 3. Every member of the EPC committee must adhere to the following standards

a. No member of the EPC can be a candidate for President, serve and/or aid a candidate’s campaign team in any form, show partisanship towards any candidate, or campaign for any of the candidates individually.

b. No comments regarding the policies or personal life of a candidate, whether true or false, may be expressed by the members of the Election Procedures Committee. The only negative information allowed to be expressed shall be confirmed campaign violations as determined by the committee as a whole.

c. Any member of the committee who is unable to fulfill his/her expectations may resign his/her position or face removal with a two-thirds majority vote of the committee or the general Student Council body.

d. All members of the committee must complete bias training no later than the second week of the Spring Semester

Section 2. The EPC Chair may request a Student Council advisor or Student Involvement staff member to be in attendance if necessary. The Chair of the Election Procedures Committee shall be the highest ranking officer of Student Council that could be eligible to serve on the Election Procedures Committee. To be eligible they must not be running for president or aiding a candidate in their campaign. If no officer is eligible to serve as EPC Chair, Student Council will elect the chair by majority vote at the first Student Council meeting of the spring semester.

a. The Chair shall make all decisions for the committee in the interim between Election Procedures Committee meetings, with the exception of disqualifying candidates from eligibility. These decisions may be reversed by the Election Procedures Committee at large if necessary.

b. The EPC Chair may be brought up for removal by anyone to Student Council’s Adviser, on the grounds that; they have failed to fulfill their duties as described, fail to represent themselves, Student Council, or the election in a professional manner, or break any state or federal laws. The adviser will inform the chair of the charges against them and they will have the opportunity to defend themselves. Removal will be upon a simple majority vote of the Electoral Procedures Committee.

Section 3. Any election dispute or violation must be submitted in writing or sent via email to the EPC Chair. Upon notification of a dispute or violation the chair will convene a meeting of the
Section 4. Officially sponsored events that the Election Procedures Committee might sponsor include, but are not limited to, the following:
   a. Publication of deadlines for entering a Presidential campaign.
   b. Publication of the names of the candidates, campaign dates, voting dates, and dates of special events.
   c. A debate over student issues at a Student Council meeting
   d. Publication of self-written biographies of candidates and their goals in the Miner and electronically.

Section 5. To be eligible to run, campaign, serve, and/or be elected for Student Body President, each candidate must meet the following qualifications:
   a. A cumulative 2.75 GPA at the end of the semester prior to the election.
   b. Must be enrolled in courses at Missouri S&T during his/her term
   c. No higher class load than 18 hours per semester during the presidential term.
   d. 45 hours of completed credit on the Missouri S&T campus at the end of the semester prior to the election.

Section 6. Students wishing to be a candidate for Student Body President must declare their campaign as outlined in the presidential information packet and submit a petition to Student Council with at least two hundred signatures with student ID numbers of Missouri S&T students, indicating their support of the candidate on the Monday preceding the beginning of the campaign period. A student may sign a petition for more than one candidate. The Election Procedures Committee will reserve the right to confirm the validity of these signatures.

Section 7. Candidates are expected to run an ethical campaign. Election procedures include the following:
   a. The candidate may announce their candidacy when they begin collecting signatures but campaigning may not begin until the date specified by the EPC committee. Campaigning shall be defined as: any action declaring a candidates position on campus issues or any issues affecting the election; posting any physical partisan advertisements; any meetings scheduled or unscheduled with student organizations or groups.
   b. The Student Council office and Student Council voting tables must remain completely neutral. No campaign materials nor campaigning for individual candidates, nor soliciting of signatures may occur at or near the Student Council office or the Student Council voting tables. Also, no resources of Student Council may be used to aid in an individual's campaign.
   c. Negative campaigning is not allowed. A candidate may refer to his/her strengths in relation to the other candidates, but no candidate may refer to the weaknesses of any other candidate.

EPC within 36 72 hours to determine the validity of the dispute or violation by a two-thirds majority vote. If a candidate is deemed in violation of election policies or procedures their candidacy will be nullified. If a candidate wishes to dispute an EPC ruling they must follow the proper procedure to be placed as an Elections Procedure Committee appeal on the Student Council agenda. The candidate will have three days (72 hours) to notify the EPC Chair if they plan to appeal the decision made by EPC. The subsequent vote by Student Council must be a two-thirds majority vote to overturn the ruling.
d. Candidates may not intentionally promise/give gifts after the student places their vote.
e. Candidates may not give their personal electronic devices to students to vote with.
f. Candidates may not knowingly be within fifty feet of a student while they are voting.

Section 8. Rules for Campaign Financing
a. Candidates may spend no more than $500 for all campaign expenses.
b. Student Council will reimburse a candidate for half the amount spent.
c. No candidate may sell anything to help finance his/her campaign.
d. No persons other than the candidates may spend any money buying campaign materials for any candidate.
e. Candidates may raise funds for the "out-of-pocket" portion of their expenses through monetary donations only.
f. All receipts of campaign expenditures must be reported to the Student Council office within 48 hours after the conclusion of voting.
g. All funds not used by the end of the campaign shall be returned to Student Council before the conclusion of voting, to be used in later elections.

Section 9. The open campaign period shall begin with the second or third Monday in February and shall continue for three full weeks. The election calendar shall be set by the EPC at their first meeting in the fall semester with consideration given to that academic year's university calendar and approved by a majority vote of the Election Procedures Committee.

Section 10. Voting shall occur from Monday through Friday of the third week of the campaign period and shall be open to all undergraduate and graduate students of Missouri S&T. Votes must be submitted using official ballots only. Ballots may be either written, electronic, or both. Written ballots may be submitted at the Student Council office or at official voting tables.
a. Student Council voting tables must be setup on campus in neutral sites. Student Council voting tables may not be setup in University housing units.
b. Written ballots may not be given out to be filled out at a later time. Written ballots must remain at the Student Council office or at Student Council voting tables at all times.

Section 11. Procedures if there is only one Presidential Candidate
a. If there is only one candidate for Student Body President, that candidate must receive a majority of affirmative votes in order to be declared the winner of the election.
b. If the candidate does not receive a majority, Student Council will elect an alternate candidate by a majority vote at its next regular meeting. This candidate and the original will then campaign until the conclusion of the election.
   i. A second campus ballot will be held starting the two weeks from the start of the first campus ballot and ending two weeks from the end of the first campus ballot.
   ii. The candidate receiving the majority of the votes in the second campus ballot will be declared the winner of the election.

Section 12. Procedures if there is no Presidential Candidate
a. If no one runs for Student Body President, then the general body will nominate at least two people at the second meeting of the spring semester. The people nominated will accept or deny the nomination by the third meeting of the Spring Semester. At the third general body meeting, the general body will vote to add each name to the all-student referendum.
b. If all candidates withdraw from the race prior to the conclusion of the election, then candidates will be chosen following the guidelines in Section 12.a except that nominations will be first opened at the general body meeting immediately following the election. The election timeline will be decided by the EPC.
c. In the event that no nominee accepts their nomination, the highest ranking eligible Student Council Officer shall serve as Student Body President. If no officer is eligible, then the highest ranking executive committee member shall serve as Student Body President as determined by report order as described in Bylaw (add-it).

Section 13. Procedures if no candidate receives a majority:
   a. If no candidate receives a majority, the two candidates receiving the most votes will have a run-off the week following the first campus ballot.
   b. The candidate receiving the majority of the votes in the second campus ballot will be declared the winner of the election.

Section 14. The Student Council may include any items on the ballot, which are deemed important enough to call for a student referendum, as well as any items that are required by the By-Laws or constitution.

Section 15. Nominations for officer positions other than Student Body President shall be taken beginning at the Student Council meeting before the conclusion of the Presidential election and remain open until the elections are held at the constitutionally specified meeting.

Section 16. If, for each of the remaining officer positions, no candidate receives a majority, the two candidates receiving the most votes will have a run-off immediately thereafter and the candidate receiving a majority of the votes will be declared the winner.

Section 17. To be eligible to run for any of the remaining officer positions, each candidate must meet the following qualification:
   a. A cumulative 2.50 GPA at the end of the semester prior to the election.
   b. Must be enrolled in courses at Missouri S&T during his or her term.
   c. No higher class load than 18 hours per semester during the officer term.
   d. Must be able and willing to devote 5 office hours a week within the Student Council office.
   e. Must have 12 completed hours on the Missouri S&T Campus.
