WHEREAS, positive comments will reward effective instructors; and,

WHEREAS, granting department chairs permission to see comments will give them more information to evaluate teaching effectiveness and restructure courses; and,

WHEREAS, the Missouri University of Science and Technology is struggling to discourage students from enrolling in courses at other institutions; and,

WHEREAS, students feel that our voices are not valued; and,

WHEREAS, the Missouri University of Science and Technology is the only institution within the Missouri University System that withholds comments from department chairs; and,

WHEREAS, department chairs should see threatening and harassing comments; and,

WHEREAS, College Deans have access to department chair evaluation comments, which are provided by their faculty constituents,

THEREFORE, BE IT RESOLVED that the Missouri University of Science and Technology Student Body condemns the faculty’s decisions to withhold CET survey comments from department chairs and strongly encourages a decision reversal.

Respectfully Submitted,

Aaron Berkhoff
College of Engineering and Computing
Committee Chair
